PRINCIPAL’S MESSAGE

On Tuesday of last week we held a very successful P & C Meeting, it was well attended with quality discussions about important issues facing the school taking place.

This week four staff are participating in the how to learn literacy and assessment focused professional learning. This will contribute to changes to the way students are assessed and the feedback they receive about their learning.

Students are now preparing for the Premiers Reading Challenge. This is a fantastic competition for all the quality readers in the school many students are reading from the book list provided as well as from the school and town library all students from years 3—9 are encouraged to get involved in this great challenge.

This week our senior students and six staff are contributing to the access study day at Ariah Park. Another great learning opportunity where students get to meet their teachers face to face and receive individual tutoring where required. Thanks to Mr Toohey for his organisation.

There are many external competitions for students to participate in I encourage all students to challenge themselves with these competitions.

Last week the Open Girls Basketball attend a Gala Day in Griffith and the Boys Touch football team travelled to Narrandera to participate in the Gala Day. Thankyou to Mrs Storrier and Mr Adams for coaching and organising these event.

Steve Chapman
Principal

Open Girls Basketball team who competed in the recent Gala Day
PRIMARY INFORMATION

K/1 & Year 2 invite you and your family to our Easter Hat Parade

**When:** Thursday 28\textsuperscript{th} March

**Where:** under the cola

**Time:** 11:15am

We will make the Easter hats in the morning together as a class.

We hope you can join us for our Easter celebration!

---

Simpson found his donkey at a bush.
To get him going he had to give him a push.

Simpson named his donkey Duffy
And made Duffy eat so much his belly was puffy.

Duffy and Simpson formed a partnership.
They found a soldier, carried him and Simpson supported him by his hip.

One day when they were rescuing a friend
Simpson’s life suddenly came to an end.

A Turk came with a really big gun
They put up a battle but the Turk sadly won.
The soldiers stood at Simpson’s grave
While telling each other he was very brave.

So on ANZAC day let’s make a really big fuss for the soldiers who fought in the war for us.

*Lest We Forget*

By Hayley B
Year 5
PRIMARY INFORMATION

STAR STUDENTS:
Simran, Yin Xing, Shelly, Rhianna-Lee, Noah

SPORTSMANSHIP AWARD:
BJ, Tameika, Charlotte

ENVIRONMENTAL ED
Primary students learned about conservation through the Zoomobile’s engaging and interactive visit, last week.

Mrs Murphy and four Year 5 leaders will be attending an Envirochampions Workshop at Griffith Public on Tuesday to begin planning for a project to be undertaken by this group, here at school.

On Thursday Year 5/6 will have a visit from Catie Guise from the CMA to inform them about the upcoming Kids Teaching Kids project where selected capable students will design a presentation to teach other kids about an environmental issue.

HCS is lucky to have this support in environmental matters from the Lachlan Catchment Management Authority and the Lake Cowal Conservation Centre

SILVER AWARD:
Yin Xing, Nicholas, Priyanka, Amelia, Rhianna-Lee
WHOLE SCHOOL INFORMATION

EXPRESSION OF INTEREST

Hillston Central School is seeking expressions of interest from suitably qualified and interested people to register for possible casual school administrative and support staff roles, which may become available due to a current staff member being on leave. This leave may be day to day or for extended periods of time. This EOI is not an offer of employment. It will allow the school to have a list of people available when a casual is needed. The expression of interest form can be collected from the school office between 8.30am – 3.30pm.

SCHOOL PHOTOGRAPHS

School photographs on Thursday 4th April
Our school has booked Academy Photography to take our school photos this year. They arrive early on Thursday 4th April and should have completed all photos by lunchtime. Students are to wear summer uniform for photos.
An opportunity exists for families to have group photos at recess. If you would like a family group photo of all your children attending school you will need to contact the school and let us know.
Envelopes should be going home early next week for parents to choose the package that most suits their needs. This year our photographer will provide proof of identity cards free to all secondary students.

2013 SCHOOL FEES

PRIMARY
Kinder-Yr 6 inclusive.
$40 per 1 student, $60 per 2, $70 for 3 or more.
$15 Maths Book Fee

Commerce  $35 per year
PASS  $35 per year
Computer Application  $35 per year
IPT  $35 per year

SCHOOL FEES CAN BE PAID AT THE SCHOOL OFFICE AT ANY TIME DURING THE DAY.

2013 NSW Premier's Reading Challenge

Readers are.....
Life Long Learners

At Hillston Central School we know the importance of reading and value it tremendously. And as such we are again registered for the Premier’s Reading Challenge, promoting reading by K - 9 across the school.

1. The Challenge runs from 1 March to 1 September 2013. Ongoing DAILY reading is encouraged.

2. Teachers, teacher-librarians and public librarians can assist students to choose the Challenge level and books that are appropriate for their age, interest and maturity levels. K–2 students who can read simple chapter books independently are encouraged to attempt the 3-4 Challenge.

3. Students must complete a set amount of reading to meet the Challenge. The book lists can be found on the Premier’s Reading Challenge web site https://products.schools.nsw.edu.au/prc/home.html

4. Students log on to the web site and add the books they have read.
Welcome to the March edition of Library gossip. Here is where you will find out the hips and the happenings in the HCS school library. Come into our library and check out our wonderful collection of stories and facts. We have a new addition, I’m not telling what it is but here is a hint...it is stylish and musical. Enjoy reading.

Book Nook

In the Book Nook we take a look at a variety of excellent books.

Early Reading: Learning the letters of the alphabet is a vital early stage in learning to read. This bright and appealing book will help children associate letter sounds with lively pictures, building their alphabetic knowledge and reading confidence. A fantastic new series of enjoyable and fun books for you to share with your child.— Families Journal

Middle Reading: Jack ventures to Mexico, land of the ancient Aztecs, to save the legendary Montezuma's gold. In his attempt to thwart a group of unruly men absconding with part of the treasure, Jack realizes a nightmare he's had is coming true.

Upper Reading: In a dark vision of the near future, terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called the Hunger Games. There is only one rule: kill or be killed. When sixteen year old Katniss Everdeen steps forward to take her sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

“Bare-knuckle adventure of the best kind”- The Times

The Learning Corner

Look at how good Year 2 know the parts of a book.

Years 3, 4, 5 and 6 having been learning to use My Library, the school library catalogue system, to find books.

The NSW Premier’s Reading Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely. The Premier’s Reading Challenge (PRC) is available for all NSW students in Kindergarten-Year 9, in government, independent, Catholic and home schools.

All students in years K to 8 are participating in the Challenge! To find out more go to: https://products.schools.nsw.edu.au/prc/home.html

I will provide more information on how you can help your child in Aprils issue. Mrs Harding
SECONDARY INFORMATION

SECONDARY HOMEWORK CENTRE

Need help with homework, assignments, assessment tasks, coursework or want access to computers and printers?? Then Homework Centre is for you.

WHERE: Library Annexe

2013 SPORT DATES
This year the Zone has tried to set as many Gala Day dates for 2013 as possible for the CHS Knockout Competitions. Students will need to attend the trial days to be selected in the RAP team to participate in Gala Days. The dates are correct at time of printing of the newsletter each week. Please add to your calendars to avoid medical appointments clashing!
- Open Boys Basketball Wednesday 20th March @ Leeton Mr Toohey (Bus)
- Open Girls Soccer @ Griffith Thursday 21st March @ Griffith . Mrs Bartholomew (BUS)
- RAP Trials U15 Boys AFL, + Open Netball @ Barellan Friday 22nd March.
- PLEASE NOTE- 14’s Under Girls Netball has been moved to Term 3. Mrs Waters (BUS)
- WHOLE SCHOOL FUN RUN/CROSS COUNTRY CARNIVAL @ Stan Peters Oval Thursday 28th March
- Girls RAP Cricket Wednesday 3rd April @ Leeton Miss Denham
More Gala Day Dates will be added each week so stay tuned.

11 AGRICULTURE
In preparation for their first assessment the Yr 11 Agriculture students conducted a Farm Case Study out at Rohan and Junelle Parr’s property of ‘Coolabah’. The Parr’s property provided an interesting view on conventional duel enterprise farming as they have recently implementation a Holistic grazing system. The system aims to improve quality of stock while also improving the sustainability of the soils and pastures. This is achieved through intensive monitoring of the feed quantity in the paddock to determine the number of days worth of intense grazing before stock is moved to the next paddock. It was a very enlightening trip for all. Thankyou to the Parr’s for giving up your time and giving us the opportunity to expand our understanding of grazing systems.

PRIMARY INDUSTRIES
The first unit the students are working on is Participate in OHS processes. Part of this requires students to learn how to identify, assess and Implement safe work practices. Last week students were given the opportunity to apply this while undertaking the cultivation of one of the Ag Plot paddocks.

π or Pi to 2 decimal places is 3.14 and so the date 3/14 (month, then day) is chosen for Pi Day!

The Pi recitation contest:
Congratulations to Kayla A from Year 8, who won the competition having memorized Pi to 50 decimal places! In second place was Jaimie B (who had an unfortunate mishap with the internet giving him false information) and in third place was Preeya B who narrowly beat Jen M and Olivia S.

All the competitors were rewarded with a 'pi' cupcake and the winners took out a pi apple pie, a meat pie from the canteen and a 3.14 cupcake.

From the students: What was learnt or enjoyed in class
- How to find the area of a circle
- What pi is and how to get the circumference
- Pi goes on forever
- The domino pi video
- Making the pi chain
- The mathematical song of pi and how it taught me more numbers of pi
- Pi is used in subjects other than maths

In Miss Paterson’s maths classes years 7-10 participated in activities around the number pi. Pi is the ratio of the circumference of a circle to it’s diameter and so students calculated diameters, circumferences and areas of circles. Each class contributed to the Pi number chain with a different colour representing each of the digits 0-9 and students learnt about a student in America who made it his goal to set a new record for the greatest number of digits of pi recited.
OPEN GIRLS BASKETBALL GALA DAY

Last Wednesday 13th March, seven girls including Amanda F, Nyssa R, Leah M, Ella D, Breanna T and Ellie B and Todd R our referee, travelled by bus with Mrs Storrier to Narrandera for a hectic day of basketball, having to leave at 6.30 am. Our first game was against Narrandra (who had all rep players!) and lost 91-22. This was a good achievement from the Hillston girls considering some girls had't played for awhile or ever!

From this we had learnt what to do and were fired up for the next game which was against Griffith High. The girls put up a good fight and very strong defence against a strong and rough team of girls. After a good performance by the girls we sadly couldn't get enough shots in and went down 49-18.

Our last game for the day was exciting, as it was VERY close – we lost 30-28 to Wade High. We got to catch up with a past teacher from Hillston Central, Miss Hyde. Who was there as a coach for the Wade girls, so we got to have a catch up with her and get to know the Wade girls. It was a fun game and every player showed huge improvement from the first games.

A very tired but happy team made it home at 5:30pm. All the girls and Todd were great ambassadors for the school, helpful, well mannered and showed great sportmanship to all other players.

Coaches Awards from Mrs Storrier:
Best Player for the Day- A tie!! Amanda F was resilient and strong, amazing defence and attack and a great centre who directed her players well. Nyssa R was fast and skilled at bringing the ball down and played an aggressive one-on-one defence at the top of the key.
Rookies Award- Ellie B showed a tough streak, as she used her netball skills to get in the key and rebound against much taller players. Her willingness to learn from each game made her a valued player.
Improvement Award- Breanna T as the baby of the group (only Year 7!!!) became steadily more confident with each game. Rebounding and putting the ball back up for a shot. She will be a strong contender for the U15’s team in Term 3.
Consistency Award- This award goes especially to Leah M, Rhiannon M and Ella D. These girls put all their effort into each game, even in the last game when everybody was getting extremely tired they all put their hearts into it and got tougher with the ball possession and defence.

Thank you girls for a great day! Mrs Storrier.

On behalf of the girls I would like to say a massive THANK YOU to Mrs Storrier for getting up extremely early, driving us over and back from Narrandera and giving up her time to coach us. Another thanks goes to Mrs Bartholomew and Cassandra Sheridan for also giving up their time for coaching us at lunch times and after school.

Also thank you to Todd for giving up a day of school (which I’m sure he didn’t mind doing!) to come over and refereeing our games, it was very appreciated. Lastly thank you to all the girls who played three amazing games of basketball, and making it a very fun day. I’m very proud to be apart of the team for 2013.

Thanks Amanda Fisk.

FOCUS OF THE WEEK

MIDDLE – DRAFTING AND TIMELINES

SENIOR – ESSAYS, DRAFTING AND TIMELINES

Learning Goals – at the end of this week students should have:
• An appreciation of the importance of planned timelines in their lives and learning.
• A willingness to devote planning time to set detailed timelines and then stick to them.
• An understanding of how to break up tasks and allocate the required amount of time to complete each of them.

Value for Life – Determination

Living, Learning, Thinking Focus:

In all of their subjects students are required to complete sections of learning at home and in other settings such as the library and on excursions. In many cases students don’t have the resourcefulness on their own to set timelines to follow and plan what they are going to do and how they are going to do it.

This weekly focus goes beyond their study timetables to looking at setting explicit drafting timelines to complete essays, assignments and other learning requirements at home and in other settings. Learning how to set flexible planning schedules and implementing them will build their lifelong living, learning and thinking power.

Home Learning and learning in places other than in the classroom are key elements in the establishment of an efficient study program and effective time management habits. Students learn from a vast variety of sources and experiences and to make connections to what they already know they require individual time away from class to reflect on it.

Students need to set timelines for tasks such as:
• Completing unfinished learning from the school day.
• Doing further subject material to reinforce and consolidate the concepts in their minds. (If they can do it at home on their own, then they know it.)
• Connecting with and applying new knowledge learned to new situations.
• Revising what they have learnt to store it in their long term memory tanks to retrieve later for exams/ tests and other situations.
• Summarising and reviewing notes from class; timelines are a must here.
• Going off on tangents that interest them and investigating new possibilities to explore and experiment with.
• Reading, researching, evaluating, reflecting, thinking and imagining.

Cultivating in children a genuine love of learning through their natural curiosity is an attribute which will benefit them for life.

“People with purpose create their own lives.” Michael Morgan

All effort will be made to provide your child with the lunch they order. If for any reason we do not have the item, a similar one to the same value will be offered. Please be aware that your child will be given what is written on the lunch bag. If you require any changes such as no cheese, butter, sauce etc. clearly print it on the bag, otherwise the standard order will be given.

Please let Gloria know if your child is leaving early or going home sick, so their order can be held for another day.

FREE GRADUATED LICENSING SCHEME WORKSHOPS FOR PARENTS OF LEARNER DRIVERS IN HILLSTON

Young drivers are three times more likely to be involved in casualty crashes. That's why the RTA has introduced a new licensing scheme, with more supervised driving practice for learner drivers.

To help parents in supervising learner drivers, the RTA has set up a FREE 2 hour workshop for parents that offers practical advice on how to help learner drivers become safer drivers.

A FREE RTA parents’ workshop will be hosted by David Riches on Monday May 6th at the Hillston Ex-Services Club Board Room from 5.30 pm – 7.30 pm.

Early bookings are essential, so phone on 0434 964 764 now to reserve your place, or email parentworkshop@optusnet.com.au
